Meeting Minutes

September 22, 2025

Attendees.

Andrew Siebert, Valerie Duff, Bryan Lucas, Erin Dunlap, Mary Partridge
Connie Roberts, Alex Baumgartner

1. Managers' Report

The meeting commenced with a review of the managers' report. Highlights included:

- **24-Hour Access Survey:**

The results of the survey were overwhelmingly positive, with 92% of over 150 participants in favor of the proposed gym changes. The team will begin finalizing quotes to determine the overall costs.

- **Panic Button Installation:**

The committee discussed and approved the quote for installing a panic button in the weight room area. Additionally, a portable panic button for employees to wear around their necks while working alone was also approved. This precautionary measure aims to enhance employee safety and will cost an additional \$300.

2. Volunteer Day

The recent volunteer day was a success, and a special shout-out was given to all participants. All tasks on the list were completed. The committee is considering expanding this event to twice a year—once in the fall and once in the spring. These volunteer days significantly help reduce costs for everyone's assessments, and the committee expressed deep gratitude to all volunteers.

3. Trunk or Treat

The upcoming "Trunk or Treat" event was discussed, with the announcement that the winner will receive a free clubhouse rental.

4. Santa Visit

This year, the Santa visit will be open to walk-ins. However, individuals who sign up early will receive prioritization for their time with Santa.

5. Rentals Update

November and December rentals are filling up quickly. Members are encouraged to schedule their dates as soon as possible.

6. Staffing Updates

The committee discussed recent turnover among clubhouse staff. They are evaluating whether wages and hours are appropriate and will continue to monitor staffing levels over the next few months as they seek replacements. Although the busy pool season has ended, the team is managing the current workload. However, with assessment season and collection approaching, the period will become increasingly busy

7. Assessments and Financials

The committee reviewed assessments and financials in preparation for the November meeting. They are examining reserve studies and the current budget to assess their financial standing. Final decisions regarding potential assessment increases will be made in October.

8. Trash Can Concerns

Concerns regarding the smell of the trash cans located out front prompted a discussion about the need for repairs or new enclosures. The committee will consider options for addressing this issue.

“What Do All of These Acronyms Stand For?”

ROHA, NLHA, OLRA: What You Need to Know

1. So, what do the acronyms stand for?

ROHA — Remington Oaks Homeowners Association

NLHA — Newport Landing Homeowners Association

OLRA — Oaks Landing Recreational Association

2. What does each association actually do?

ROHA governs the Remington Oaks and Chestnut Pointe neighborhoods (AKA the “tree-themed” streets), and NLHA governs the Newport Landing neighborhood (mostly “sea-themed” streets on the other side of Hawkins). Homeowners belong to ONE of the two organizations based on their address. OLRA governs the Clubhouse, swimming pools and tennis courts.

3. Can you give me a refresher on the annual assessments?

Each resident receives two assessments each year: one from either ROHA or NLHA, and one from OLRA. The ROHA and NLHA assessments are distributed in late December and are due Feb. 1 each year. The OLRA assessments are distributed in late January and are due March 1 each year.

4. What, exactly, do the fees cover?

ROHA fees cover common ground maintenance (including Lake Remington), main entrances maintenance, insurance and streetlights for the Remington Oaks and Chestnut Pointe neighborhoods. NLHA fees cover trash pickup, common ground maintenance (including the Newport Landing pond), main entrances maintenance, insurance and streetlights for the Newport Landing neighborhoods. OLRA fees cover Clubhouse maintenance, insurance, swimming pools, tennis courts, fitness rooms, and Clubhouse-sponsored neighborhood activities.

5. I don't ever use the Clubhouse facilities. Do I still have to pay the OLRA fee?

Yes. Per the governing indentures, all households are required to pay both the appropriate Homeowners Association fee and the Recreational Association assessments.
